## **Milovice: Former Military Area - Return to Ancient Pastures**

Located near the towns of Milovice and Benátky nad Jizerou, this nature reserve is a pioneering rewilding project of cooperation between several scientific bodies. Milovice Nature Reserve is the first and only place in Europe where visitors can see Aurochs, European bison, and wild horses together. After Milovice Nature Reserve you will visit a stable population of European ground squirrel (*Spermophilus citellus*) near Mladá Boleslav.
