

“Biodiversity crisis in a changing world”

The Society for Conservation Biology – Europe Section invites you to participate in the
6th European Congress of Conservation Biology

Save the date to your calendars to participate: **August 22-26, 2022**

Instructions for Conference Grant Applications

To maximize the diversity of the participants we provide opportunities for students and developing country delegates to attend the ECCB 2022. The availability of support is determined by the amount of money raised through sponsorships and grants. Because we hope to assist the maximum number of participants, most, if not all applicants will be partially funded (e.g. registration and/or accommodation). Only student dormitories will be offered as accommodation (max 5 nights). We will not reimburse any travel costs. So it is recommended that each applicant seek and secure additional funding sources as well (i.e., from your own institution or grant funding).

It is possible to apply in three categories:

the ‘student’ category

‘low or middle income country speaker and speaker from V4 countries (Poland, Slovakia, Hungary and Czech Republic)’ category

participants from Ukraine (please contact the ECCB secretariat directly),
ECCB2022@aimgroup.eu

Conditions

Students

1. Applicant must be the presenting author of an accepted presentation (oral communication, speed talk or poster) at ECCB 2022. Multiple authors applying with the same oral presentation or poster title will not be considered.
2. Applicant must be registered in a degree program (bachelor, master or doctoral) at an accredited university or college at the time of the conference.
3. Applicants are expected to be members of the Society for Conservation Biology. If not, please apply for membership first at <https://conbio.org/membership/become-a-member/>.
4. Applicants must have a demonstrated financial need and show how they cover other expenses.
5. Applicant undertakes to be prepared and willing to volunteer during the congress (e.g., the provision of microphones in individual sections).

Speakers from above mentioned countries

1. Applicant must be the speaker of an accepted oral communication at ECCB 2022.
2. Only applicants from Non High-Income countries (according to the table on the congress website – page Registration or here) will be considered for Conference Grant.
3. Applicants are expected to be members of the Society for Conservation Biology. If not, please apply for membership first at <https://conbio.org/membership/become-a-member/>.
4. Applicants must have demonstrated financial need and show how they cover other expenses.

Instructions

1. Complete the Conference [Grant Application Form](#) and submit until 21st April.
2. You will be notified prior to **30th April 2022** if your application has been approved for funding. Funded applicants will be required to register for ECCB 2009 no later than **15th May 2022**.

The decisions made by the ECCB Grant Committee are final. The Committee reserves the right to not award the grants to any applicant. We look forward to receiving a large number of applications.

Questions regarding ECCB Student Conference Grants should be addressed to: info@eccb2022.eu
